

Merton NQT - Exploring Writing (Course Code: MER19/20-NQT-EM-2)

Description:

This half day afternoon session explores how to teach the core skills of writing within a language rich learning environment.

The session will cover a range of issues including embedding grammar skills within composition lessons and the features of shared and modelled planning, writing and editing. It will also focus on strategies for differentiating work for those pupils not working within age-related expectations.

Aim:

Benefits to you and your school:

How to embed grammar within high quality writing.

Strategies to deliver shared and modelled planning, writing and editing.

How to support pupils who are working towards or below age-related expectations

Target Audience:

Newly qualified teachers (NQTs) / Newly Qualified Teachers (NQT's)

Methodology:

Tutors:

Sigi Leigh

Date:

Thursday 10 October 2019

Time:

13:30 - 16:00

Venue:

Chaucer Centre, Canterbury Road, Morden, Surrey, SM4 6PX
