

Ofsted - NEW Framework - Being Ready for Inspection (Course Code: GOV19/313)

Description:

The aim of this session is to give an overview of the latest inspection arrangements focusing on school governance. It will explore the Leadership and management evaluation criteria, subsidiary guidance for school governance, the key messages given by Ofsted in relation to school governance and how the governing board can best prepare itself for an inspection.

Aim:

Benefits to you and your school:

By the end of the course governors will be able to:-

- Recognise the criteria against which your governing board will be judged at your next Ofsted inspection and be able to apply this to their own schools
- Identify areas which require the governing board's focus
- Apply knowledge gained of the preparation needed for inspection to their own school situation.

Target Audience:

Clerks to governing bodies / Governors

Methodology:

Tutors:

Elizabeth Fitzpatrick

Date:

Thursday 10 October 2019

Time:

19:00 - 21:00
